

THE MOTOR ENTHUSIASTS' CLUB, COMPANY LIMITED BY GUARANTEE

March 2019

Re: The Motor Enthusiasts' Club – Is there a Future – Please read this letter.

Dear Member,

This year YOUR club is 65 years old; will it reach 70? Unlikely, unless new, probably younger, definitely enthusiastic, people are prepared to get involved and take over the running of the club and give it a future.

The Motor Enthusiasts' Club has an illustrious past running great events in all branches of the sport and thanks to the prudent management by the current and past directors is in good financial shape, is a leader in ecommerce among motor clubs and is fully compliant with all Motorsport Ireland and Corporate regulation.

If this great Club is to have a future it will only be if YOU the members want it.

So what can you do? You are members of MEC because you love motorsport be it as competitor, organiser or spectator. You may personally like to be more involved but equally you may have family members or friends who share your passion and would love to have an active role in our sport. Now is the opportunity, the only caveat is that whoever comes forward must be as enthusiastic as we are and be willing to put the time and effort into running the Club. If you have the ambition, the Club is a perfect spring board to greater involvement, two of our past directors have held the position of President of Motorsport Ireland and the Motorsport Council, the governing body for motorsport in this country, today, includes 4 current club members, the biggest representation of any club. Club members have held and hold senior roles within the MCUI.

I, together with my fellow directors, am therefore appealing to you, the members, to save the Club. We want to pass on the running of the Club to a new enthusiastic generation who will lead the Club forward in the years ahead.

We have to decide within the next month what, if any, events we will apply to run in 2020, so we need to hear from you urgently. Please send name and contact details to the secretary at the email address below and we will be in contact with you.

Get involved NOW. Give the MEC a future.

Thank you for your time in reading this letter and I look forward to hearing from you.

Yours in Motorsport

Scott Milligan
